DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:

The art of record set forth in the Rule 105 mailed 13 July 2005 does not constitute prior art under § 102 (b). The publication date of the Jackson & Perkins Wholesale catalogue was June 2003, less than one year before the filing date of the instant case. The Applicant stated that the claimed plant was not for sale more than one year prior to the filing date. Therefore, the reference cited is not a §102 (b) because it is not enabled.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Georgia Helmer whose telephone number is 571-272-0796. The examiner can normally be reached on 10-6 Monday and Tuesday, and 1-5 on Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Anne Marie Grünberg can be reached on 571-272-0975. The fax phone

Art Unit: 1638

number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
